

How to Use New Online Learning Platform

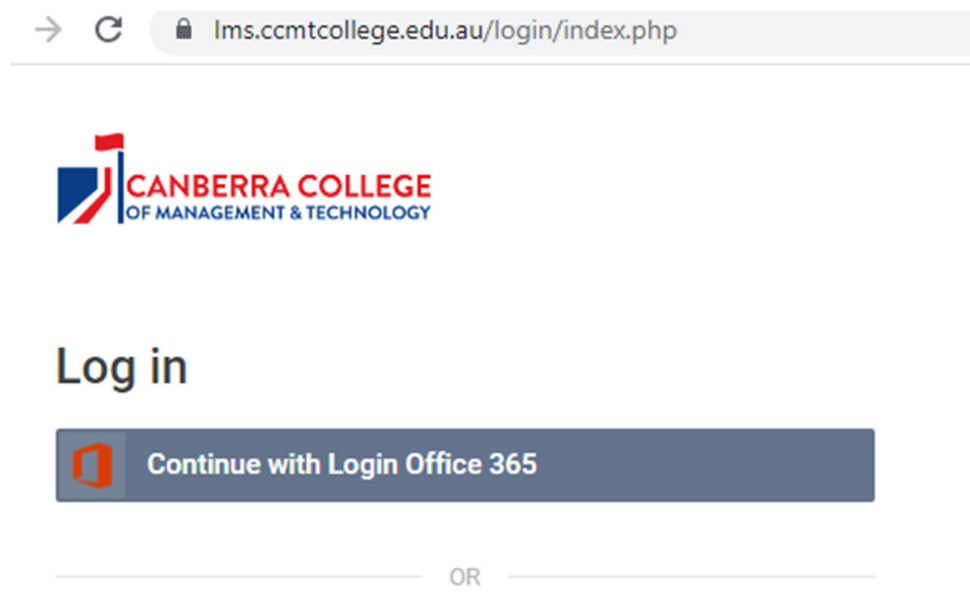

CCMT College has recently introduced a new online learning platform powered by Moodle.

In order to login,

Please go to <https://ccmtcollege.edu.au/> and click on the top right-hand side of the page called "Student Portal"

or you could directly access the online portal by clicking <https://lms.ccmtcollege.edu.au/>

Please click on "Continue with Login Office 365" and enter your login details. You should have received these details from CCMT College. If you encounter any difficulties with your login information, please send an email to helpdesk@ccmtcollege.edu.au. The helpdesk team will promptly assist you with any concerns you may have.

After successfully logging in, you will have access to your online learning resources, including course materials, assignments, and communication tools.

Explore the different sections of the Moodle App, such as courses, forums, and messaging, to navigate through your online learning experience.

Make use of the app's features, such as submitting assignments, participating in discussions, and accessing course materials directly from your mobile device.

If you encounter any difficulties, please do not hesitate to contact us at helpdesk@ccmtcollege.edu.au. We are here to assist you.
